A Glimpse Into Our Coaching Services

Our coaching activities and services include:

- Weekly group coach calls via Zoom including group exercises, polls, role-play, and Q&A
- Live role-play to model what good “looks and sounds like”
- Review and score recorded videos of role-play exercises (aka missions) with quantitative and qualitative feedback to certify learners are conversation ready
- Program management and administration
- Post-training activities to sustain learning, including spaced reinforcement, coaching, and recertification programs

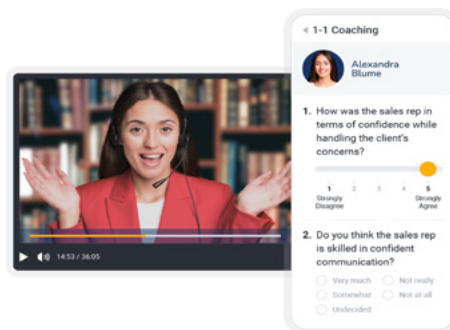

Key benefits to Menemsha Group Coaching Services:

- Menemsha Group models the desired behaviors for learners to watch and learn from
- Review quantitative and qualitative feedback and AI insights
- Learners have direct access to Menemsha Group staff to engage in live role-play, group discussions, and Q&A sessions
- Ease the burden (and time commitment) of your front-line managers
- Accelerate ramp-up time and ROI
