

MENEMSHA GROUP

ENABLEMENT MANAGED SERVICES

MAXIMIZE YOUR INVESTMENT WITH MANAGED SERVICES

Lacking time or bandwidth to manage your onboarding, training and enablement programs consistently, and effectively? Let us do it for you and accelerate your time to ROI and ensure you maximize the Menemsha Group solution.

ENABLEMENT MANAGED SERVICES

We provide you with a dedicated customer success manager (CSM) for a single point of contact to assist you with:

- Defining your enablement strategy
- Defining the ROE and ROI metrics and mechanisms for measuring quantifiable outcomes
- Defining, scheduling, and communicating your deployment strategy
- Designing your onboarding, training, and coaching schedules
- Perform all platform administration tasks including content uploading, authoring, sequencing, and publishing
- Perform all user administration tasks including user set-up, configuration and scheduling of all training assignments, and tasks and manage user invitations, email notifications, and report cards
- Configure, deploy, and review learner, team report cards, analytics, and dashboards
- Manage recertification and spaced reinforcement programs
- Facilitate quarterly business reviews with your key stakeholders to discuss outcomes including ROE, ROI, skill, and knowledge gaps and provide recommendations
